

DEACOMART AGRIBUSINESS DIGITAL MARKETPLACE PLATFORM

Project Title

Deacomart Digital Marketplace & Agribusiness Management Platform

Motto

"Be EcoWise"

Project Overview

Design and develop a modern, scalable, mobile-first Agribusiness Marketplace and Farmer Empowerment Platform for Deacomart Ltd, Rwanda.

The platform shall serve as a national digital ecosystem connecting farmers, consumers, supermarkets, hotels, restaurants, institutions, agricultural organizations, and consultancy clients.

The system should support:

- Direct farmer-to-buyer agricultural trading
- Food and beverage product distribution
- Farmer training and capacity building
- Agricultural consultancy services
- Value addition promotion
- Food safety awareness
- WhatsApp commerce integration
- Market linkage services
- Digital transformation of Rwanda's agricultural value chain

The platform's primary objective is to eliminate unnecessary middlemen, improve farmer incomes, reduce post-harvest losses, increase market access, strengthen food safety standards, and provide a transparent agricultural marketplace across all districts of Rwanda.
